

Royal Public School

Support for children- A hope for children

Description

This program enables an individual to sponsor the cost of education of underprivileged child. The aim is to support the child financially till he completes his education in Royal Public School. The sponsor has the opportunity to become a mentor and friend to his sponsored child by writing letters. The sponsor can also visit with the child.

Purpose/Goals

To bring about socio-economic change in the local community through education which could educate children for literacy, self-reliance and good human behavior in the society.

Additional Information

Royal Public School Children's Fund networks resources directly to grassroots projects that support disadvantaged and poor children. "We recognize that local people know best how to resolve problems in their communities when they have access to resources to build a sustainable future for children and their caregivers"- Dr. Vikas Jaiswal (Administrator, RPS Educational Society).Royal Public School Educational Society works in village where children would otherwise not have any quality schooling opportunities.

"Work an Hour for quality education" campaign is being launched by Royal Public Educational Society with simple concept of participants donating one hour's worth of earning in aid of helping underprivileged children in Adalhat, Mirzapur area to meet out those expenditure those are fixed and infrastructural in nature.

Any amount you donate can mean the world to a child, 100 % of your contribution will reach the children.
